About This Collection

The sprunki crew steps out of the beat grid and into something far less innocent. Pinki joins the slideshow for good measure. Gray keeps his cool while Wenda takes charge, caring and dominant in equal measure, and Green and Lime crowd in close for a size-difference fantasy that turns friendly faces into something hungrier. Straight, wholesome storytelling gives way to animated rule 34 frames, plus a guest turn from gardevoir that nobody saw coming. Tap the link above to see the full gallery.
